

## *This Month's Silver Apple Award Goes To...*

This June we are proud to award **Jose Cruz** with the *Whitsons Nutrition Silver Apple Award* for outstanding work! Jose is a hard working team member and a wonderful person to work with!

Jose is an artist when it comes to making pizza and he knows his way around any kitchen. There is a passion for cooking that shows in his work. We have asked him to train other cooks in the art of pizza making.

Not only is Jose a great chef, but he always has a

positive and professional attitude. He is a joy to be around and everyone loves him. In addition to all of his great attributes, he has a perfect attendance record. He has never called out once! He is such a valuable addition to our team and he really deserves this award.

We are so lucky to have Jose as part of our Whitsons school lunch team here at Williams Middle School in Longmeadow!
